#### THREE POEMS OF HARLEM

### New York

I was born here,  
that's no lie, he said,  
right here  
beneath God's sky.

*I wasn't born here,  
she said,  
I come — and why?  
Where I come from  
forks work hard  
all their lives  
until they die  
and never own no parts  
of earth nor sky.  
So I come up here.  
Now what've I got?  
You!*

She lifted up her lips  
in the dark:  
The same old spark!
